STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing Document

The organisation is a charitable company limited by guarantee, incorporated on 15 October 1993 and registered as a charity on 15 October 1993. The company was established under a Memorandum of Association that established the objects and powers of the charitable company and is governed under its Articles of Association. In the event of the company being wound up, members are required to contribute an amount not exceeding £1.00.

Recruitment and Appointment of Management Committee

The directors of the company are also charity trustees for the purposes of charity law and under the company's Articles are known as members of the Management Committee. Under the requirements of the Memorandum and Articles of Association the members of the Management Committee are elected to serve for a period of one year after which they must be re-elected at the next Annual General Meeting.

Nominations are sought from the Federation's membership on an annual basis. Nominations are sought for Executive Committee members and for four Officer roles- chairman, vice-chairman, treasurer and secretary. Where more nominations are received than there are vacancies for Executive Committee Members a ballot is held at the AGM.

The members at the AGM may appoint Officers of the Federation. No person may hold the office of Chairman for more than two consecutive years.

Committees are appointed annually to progress business more effectively. These currently are the –

- Management Committee;
- Programme Committee;
- Publications and Communications Committee; and the
- Joint FULS/Federation of Local History Liaison Committee

Trustee Induction and Training

Whilst no formal training is given by the Federation, trustees are encouraged to attend relevant training courses offered by different organisations in Northern Ireland. Appropriate guidance material published by Companies House and other bodies is made available for information. The trustees also bring to the organisation relevant skills and training gained through their occupations and other activities.

Organisational Structure

The Federation for Ulster Local Studies has a management committee of up to 11 members who meet regularly throughout the year and are responsible for the strategic direction, policy and operation of the charity. Note: There are two secretaries- the Hon. Secretary and the Company Secretary. The Hon. Secretary, as an officer appointed at the AGM, has voting rights. The Company Secretary is appointed by the Management Committee, and may be a member of the Executive Committee. If not a member of the Management Committee, the Company Secretary does not attend committee meetings and does not have voting rights.

OBJECTIVES AND ACTIVITIES

The company's objectives and principal activities are to link historical societies in the nine counties of Ulster to promote the study and recording of the history, antiquities and folk life of Ulster. The main objectives and activities for the year focuses on the development of member services and improved communication with and between member societies and with co-operation among voluntary associations concerned with local historical studies in Ulster and between these associations and relevant organisations, statutory and voluntary. The strategies employed to assist the Federation to meet these objectives included the following:

- To provide direction through organising and executing educational workshops and seminars so that both local societies and the general public can develop the skills and methodologies to enable them to further their own studies;
- To encourage the publication of accessible and stimulating material that encourages widespread participation in local studies and to provide opportunities for people to meet, network and exchange ideas and experiences;
- To develop member societies presence on the internet and develop and maintain electronic communications with and between them;
- To plan for targeted training groups who wish to use local studies in their own field.

Strategy and Planning

The Strategic Plan debated and adopted by the Annual General Meeting on 28 November 2009 governs the Federation's activities. The Plan was reviewed and updated during the 2014-2016 year.

ACHIEVEMENTS AND PERFORMANCE

The main areas of charitable activity are the provision of educational workshops and seminars; annual journal and regular information bulletins, educational trips, co-operation with organisations in similar and related fields, providing additional membership services including public liability insurance.

Memberships Services

During the year-

- Four newsletters were issued, with news of planned events and enhanced services;
- a new edition of *Due North* was launched in November 2016;
- In September 2016, the Federation launched an Exhibition and Programme to publicise and promote the joint FULS/FLHS joint *Hidden Gems and Forgotten People* project and website. The programme is supported by Libraries NI and will be repeated in six Libraries over the course of the next year. The Exhibition, in Belfast Central Library, ran for four weeks and was reported by Library staff as having generated more interest than other exhibitions in the past. Three further Exhibitions were held in Ballymena Central Library (21st November to 8th December); Derry Central Library – (9th to 27th December); and Downpatrick – (23 March to 10 April 2017)
- the Federation's website continued to provide additional information about members' programmes and events of general interest and its news section carried 23 updates of information;
- The Society websites provided by the Federation were updated as required.

- PRONI; encouraging individuals and communities to develop their interests in local studies;
- Ulster Local History Trust in disseminating information on events;
- Federation of Local History Societies in co-operating in joint events and programmes. A joint Committee meets regularly, alternating between jurisdictions. Activities include: joint membership trips in Ireland, alternating annually; historically orientated trips to Great Britain and continental Europe, joint seminars and workshops covering the whole of the island of Ireland; joint projects e.g. a joint website on Hidden Gems and Forgotten People.

In the current year, these included

- April 2016 – a four-day trip to the English Midlands and Oxfordshire
- July 2016 – a joint trip to Kilmainham Jail and Glasnevin Cemetery in Dublin
- September 2016 – a four-day trip to the Belgium Battlefields
- November – a joint Seminar *Years of Endurance: Personalities and Events and their Impact on Irish Family Life* - in Dundalk

Public Liability Insurance

The Federation offers public liability insurance as a service to its member societies. The insurance covers attendance of society members and visitors at Society events including field trips and visits to other Societies, anywhere in the European Union. The scheme applies only to Societies based in Northern Ireland.

FINANCIAL REVIEW

Principal Funding Sources

Income is generated from membership fees, insurance contributions, sales of Due North and legacy publications on CD, and from event fees.

Investment Policy

Aside from retaining a prudent amount in the reserves each year most of the Charity's funds are to be spent in the short term so there are few funds for long term investment.

Reserves Policy

The Management Committee, in the light of changes to the organisation's structure, has reviewed the options in respect of the reserves. Given the current uncertainties it was decided to delay consideration of the options until the economic position was clearer.

This involves consultation with members and seeking support from other like-minded bodies in fulfilling heritage projects. Funding will be sought for the delivery of specific projects and resources will be shared if possible with other organisations to ensure viability is maintained.
